

Dear Mr Rohlicek

Thank you for submitting your article entitled

Crystal structure of capecitabine from X-ray powder synchrotron data  
for publication in Acta Crystallographica Section B.

A review document has been generated and your article has been assigned  
the reference code ZB5004. Please quote this reference in all  
future correspondence concerning your article.

The review document is available at the REVIEW WEB ADDRESS

IMPORTANT: You have indicated that your article includes a report of  
one or more crystal structure determinations. Please upload the CIF  
containing the details of all structures reported via the web page

The submission of an article is taken as an implicit guarantee that  
the work is original, that it is the author(s) own work, that all  
authors concur with and are aware of the submission, that all workers  
involved in the study are listed as authors or given proper credit in  
the acknowledgements, that the results have not already been published  
(in any language or medium), and that the article is not being considered  
and will not be offered elsewhere while under consideration for an  
IUCr journal.

A Transfer of Copyright agreement has been attached to this message. You  
should complete this agreement and return it to the Editorial Office either  
by fax (+44 1244 314888) or by email ([copyrightb@iucr.org](mailto:copyrightb@iucr.org), quoting the  
reference code ZB5004 in the Subject line). If you have any  
questions about copyright, please contact [support@iucr.org](mailto:support@iucr.org)

Your article will be handled by the following Co-editor:

David Billing  
School of Chemistry  
University of the Witwatersrand  
Private Bag 3  
PO Wits  
Johannesburg 2050  
South Africa

E-mail: [dave.billing@wits.ac.za](mailto:dave.billing@wits.ac.za)

You should hear directly from this Co-editor in due course.

Thank you for submitting your work to Acta Crystallographica Section B.  
We hope you will enjoy publishing in this journal, and look  
forward to receiving articles from you in future.
