

# POLYMERS FOR SUSTAINABLE FUTURE 2024

85<sup>th</sup> PRAGUE MEETING ON MACROMOLECULES  
11<sup>th</sup> CONFERENCE GCNPM

24–28 June 2024  
Prague, Czech Republic

**Chairs:** Hynek Beneš & Zdeněk Starý  
**Organized by:** Institute of Macromolecular Chemistry,  
Czech Academy of Sciences

## TOPICS

- Biobased monomers and polymers, natural polymers
- Environmental degradation of polymers
- Recycling and upcycling of polymers
- Production design of sustainable polymers
- Enzymatic reactions in macromolecular chemistry
- Environmental-friendly polymerizations
- Fixation of carbon dioxide into polymer materials
- Dynamic networks, vitrimers
- Sustainable solutions in polymer nanotechnologies
- Global threat of plastic pollution  
(environmental analysis, ecotoxicity, technological solutions)

## INTERNATIONAL ADVISORY BOARD

- Veronica Ambrogi (Italy)
- Filomena Barreiro (Portugal)
- Alexander Bismarck (Austria)
- Ugis Cabulis (Latvia)
